

Calling all local photographers!

Once again West Oxfordshire District Council is on the lookout for some inspiring images of the Oxfordshire Cotswolds. Local residents, whether amateurs, club members or professionals are invited to send in images of the towns and villages they live in, an event they've been to or a special moment captured in time.

The Oxfordshire Cotswolds is the branding used by West Oxfordshire District Council to market the area as a 'must see' destination.

We are looking for a wide range of subjects, anything you like - wildlife, villages & market towns, local produce, panoramic views, action shots, eating out and people enjoying what the Oxfordshire Cotswolds has to offer. All images should be of a high enough quality to allow enlargements to A4 size. We hope to use some of the images in our tourism marketing publications and on our website.

The prize for the winner is:

A beautiful canvas print of your winning image created by Blueprint Imaging Limited www.blueprintimaging.com Your image will be reproduced using high quality inks, mounted onto a 30 x 20 inch art canvas and will be ready to hang on the wall.

Closing date for entry is **Friday 27th April 2012**

We regret that employees of West Oxfordshire District Council are not eligible to enter. Copies of the current Oxfordshire Cotswolds Visitor Guide are available from the Visitor Information Centres in Burford & Witney, at the information point in the Guildhall, Chipping Norton and at the Oxfordshire Museum, Woodstock.
